Dear Marlize:
Since the budget is going to be an attachment to the project agreement, there is no need to execute it separately. I am currently waiting for a final release of the project agreement from our Legal department/Contract Coordinator.

I received confirmation that the cigarettes were picked up by our courier HiPage yesterday. Shawn Smith should be faxing you copies of the requested documentation (invoice, etc.). If you do not receive that information by tomorrow, please let me know.

Regards,
Valerie

Dear Valerie and Martin

If it is not possible to provide me with the contract, can we sign the financial protocol in the mean time?

Kind Regards
